Nature's One® recognizes that breast milk is the best source of nutrition a mother can provide her baby the first year of life and offers advantages not found in any formula. Therefore, Baby's Only Organic® Toddler Formula is intended for babies 12-months and older unless specified by a healthcare professional. Breast milk contains many more ingredients not listed here. Source: Food and Nutrition Board, National Academy of Sciences -National Research Council Recommended Dietary Allowances designed for the maintenance of good nutrition of practically all healthy people in the United States and Infant Formula Regulations.
