

# Complete Organic Nutritional Beverage

For Weight Gain

For Fussy Eaters

For Breakfast Skippers

For Active Kids

PediaSmart® is the Smart Organic Choice™ offering excellent nutrition as a healthy beverage, quick breakfast and for a child in need of added calories. Recommended for children 1 through 13 years, PediaSmart® is available in organic vanilla flavor. PediaSmart® is the ONLY organic beverage on the U.S. market offering complete organic nutrition. PediaSmart® Soy is nutritionally comparable to Bright Beginnings® Soy and meets 100% of the Dietary Reference Intakes (DRI) for protein, fat, carbohydrate, vitamins & minerals. PediaSmart® can be used as a sole source of nutrition under the supervision of a healthcare professional.\*

PediaSmart® Soy is recommended for children with a cow's milk protein allergy or an intolerance to lactose and corn. This product is appropriate for kids who suffer from galactosemia and is excellent for families who prefer a vegetarian diet.

\* Not intended for infants less than 12-months of age.

May be used in a feeding tube under the supervision of a healthcare professional.
